

June Lakota Chapter Report
Siwinis Lodge #252
Order of the Arrow

20 June 2007

Brothers,

In the month of June, Lakota has accomplished a lot. During this month Lakota held our monthly Chapter meeting. We will have our Chapter Executive Committee meeting on 26 June.

We had a busy Chapter Meeting in June, including:

- The Chapter Members voted to approve the new Chapter Rules which take effect at our next meeting in July.
- The Lodge Chief and Adviser visited and talked about Arrowcorps 5
- A presentation on our first Chapter Fellowship Day (1 July)

We also told the Chapter that our new Chapter tee shirts would be available for sale starting at the Fellowship Day.

June Committee Work

Communications: Our Communications Vice Chief, Scott Affa, sent out a letter to all of those recent Lakota Arrowmen who are no longer registered to invite them to rejoin us. He is also working on the next edition of our quarterly newsletter.

Brotherhood: Our Brotherhood Vice Chief, Howie Limburg, has helped seven Arrowmen seal their membership through Brotherhood conversion. Howie has contacted the Chapter's remaining Brotherhood eligible Arrowmen and informed them about upcoming Brotherhood opportunities.

Camping Promotions: Our Camping Promotions Vice Chief, Morgan McNally, has continued his work in surveying Pacifica District to determine what units are doing for camping. Last month, Morgan had sent out a letter at the District Roundtable meeting. This is the second Camping Promotions survey sent out this year.

Camporee: Our Camporee Vice Chief, John Broadhead, is attending the District Camporee meetings which will begin planning for the fall camporee next month. Pacifica District has its scheduled Fall Camporee to be on October 5 – 7.

Elangomat: Our Elangomat Vice Chief, Garrett Maldoon, has continued to work with his Elangomats to build a strong extended Elangomat program in our Chapter. Garrett has contacted the Elangomats regularly and has them contacting all new Ordeal members about current meetings and events in the Chapter and Lodge.

Elections: Our Elections Vice Chief, Matt Affa, has received the most updated version of the units eligible for elections in the District. Matt is now contacting all of the units that haven't been contacted so far and is scheduling for the units to receive an election. He has also started building a systematic approach to elections for use in future years.

Trading Post: Over the month of June our Trading Post Vice Chief, Thomas Lidikay, has provided refreshment which fostered Fellowship for both our Chapter and Chapter Executive Committee meetings. He has received the quality lodge pins and is ready to sell them at the up coming Chapter meetings as an item of the Trading Post. He is also preparing to sell our new Chapter Tee Shirts.

Fellowship Day: Our Ad Hoc Fellowship Chair, Howie Limburg, has organized a fellowship day to be held on 1 July. During the month of June, Howie has been planning for the event and has given notice to the Chapter in a variety of ways.

Yours in Brotherhood,

Brandon Villalpando
Lakota Chapter Chief.
